

GODAWARI POWER & ISPAT

INTEGRATED MANAGEMENT SYSTEM POLICY

Godawari Power & Ispat Ltd. (GPIL) is committed to continually improve its products & services by adopting Integrated Management System through ISO 9001:2015, ISO 14001:2015 & OHSAS 45001:2018

These are achieved by pursuing objectives & management program that will:

- 1.** Ensure customers satisfaction and withholding social responsibilities, through continual process of up gradation of technology and optimizing the utilization of resources.
- 2.** Earn the trust and confidence of its stakeholders to their satisfaction & be appropriate to the purpose and context of the organization and support its strategic direction.
- 3.** Comply with all applicable statutory and other requirements through periodical reviews.
- 4.** Ensure continual improvement in Quality, Environment and Health & Safety performance through management reviews, participation of employees at all levels, prevention of pollution and ill health of its employees.
- 5.** Create a learning organization by adopting industry best practices and risk based thinking to improve the employee competency, work environment and performance.
- 6.** Ensure continual improvement in IMS Performance through management reviews, participation, learning and training of stakeholders at all level.

This Policy statement is communicated to employees through induction training. It is also displayed at prominent sites and will be made available to interested external parties upon request.
